

December sales tax revenue up less than 1% compared to budget

The City of Springfield's December 1% general sales tax check from the Missouri Department of Revenue is up less than 1%, or \$5,911, compared to the amount budgeted. The check reflects sales processed by the state in November from transactions made primarily in October.

The City heavily relies on sales tax revenues as its main source of revenue to fund vital services, such as police and fire operations. In Springfield, approximately 60% of revenue in the General Fund comes from sales tax and use tax.
