

EIERA

Environmental Improvement and Energy Resources Authority

The Environmental Improvement and Energy Resources Authority provides environmental solutions through finance, research and technical assistance. Our actions benefit the environment, the economy and our partners. Project and resource management are our strengths. We're not locked into the way things have been in the past. We cut through the red tape and do what we do in a non-bureaucratic manner. We just get it done.

Recycling market development

\$10 million

Manufacturers in Missouri have received more than \$10 million from EIERA's Market Development Program.

Brownfields

\$2.5 million

EIERA has provided more than \$2.5 million for cleanups at contaminated sites in Missouri.

Bond and project assistance

\$5.7 billion

EIERA has assisted Missouri communities, organizations and businesses by providing almost \$5.7 billion in bonds and more than \$30 million in projects that have supported infrastructure upgrades, energy efficiency, pollution prevention, technical assistance, research and environmental education.

Weatherization

\$19 million

EIERA has released almost \$19 million in weatherization funds to eligible community action agencies for Missouri projects.

State Revolving Fund

\$2.67 billion
