

Saturday, Oct 1st at 7 p.m.

Bring a lantern and join our walk through the Galloway Village neighborhood at sunset!

It's free and fun!

Lanterns can be easily made of cardboard and tissue paper or even from recycled plastic bottles. Just add a light or glow stick and you're ready to shine!

Community Growth

October is national pedestrian safety month and we want to make walking safer. There will be stations along the way where you can learn about safe walking and score some swag!

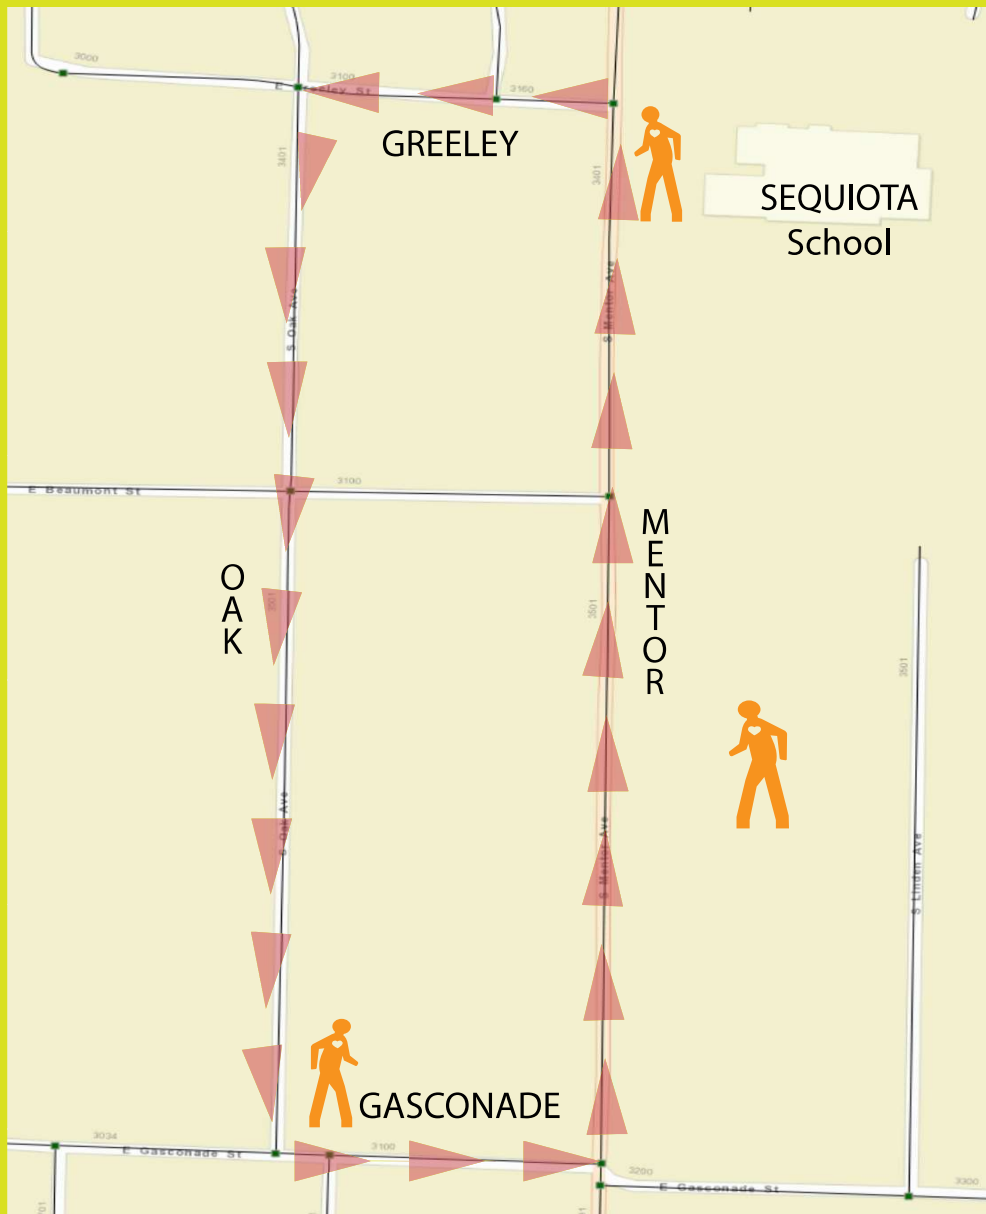

Where to join in

You can join us anywhere along the loop route starting at 7pm, follow the direction as indicated on the map (flip over).

LANTERN WALK

SGF
YIELDS

Feel free to park along the route, but please don't block driveways

Bring homemade lanterns and wear bright clothing

Walk on the sidewalk and watch for cars

Find the booths and learn about safe walking

get event info on your neighborhood's facebook page. Also be sure to follow us: SGF Yields
